

Important Local 636 Negotiations Information

Local 636 sent out Interim Agreements to contractors this afternoon. We are still in negotiations with Local 636 and there has been no talk of a strike.

The Interim Agreement proposal by Local 636 has built in wage increases of \$2.25 per hour. If you sign an Interim Agreement you are contractually obligated to pay the \$2.25 an hour increase from June 30th on.

We recommend that you do **not** sign an Interim Agreement. Signing Interim Agreements fractures our industry and could jeopardize our efforts to get a fair and equitable agreement.

We will keep you informed of any new developments.
