ATTENTION PLUMBING PAYROLL DEPARTMENTS:

The July 9, 2010 issue of the Building Tradesman **mistakenly** states that the entire \$1.95 for Local 98 Unrestricted Journeymen is to be paid to wages retro to June 7, 2010. The \$1.95 is to be **allocated to the fringe package as of June 7, 2010** just as it would have been if the negotiations had not taken place.

Another question which has been asked recently is in regard to Apprentice Wages and the Vacation & Holiday. The Blue "Wallet Cards" that Local 98 printed after the **2009 Allocation** contained a mistake on the Apprentice Wages. Please follow the Wages and Fringes as shown on the Labor Update as the Labor Update is signed by both Labor and Management and therefore has the agreed upon allocation.

If you have any questions regarding the allocation or the Labor Update, please contact Chris Freeman cfreeman@mcadetroit.org or Carl Evans cevans@mcadetroit.org via email or phone (313) 341-7661.

Thank you,
